Artwistic Supplied Garments with Embroidery - Prices

Artwistic is proud to offer quality imprinting, creative designs, and customer satisfaction.

We currently operate a Melco Embroidery Head.

Please see below, or our website, for our imprinting limitations and art requirements. If you wish to provide your own garments you may do so. Please ask about fabric limitations.

A selection of garments and their prices can be found on our site catalog.

Resellers please fill out and return our Resellers Form with your current information.

If you need information on becoming a reseller please visit your local Board of Equalization.

The "How much does a shirt cost?" Equation:

$$(Garment\$ + Embroidery\$) \times \#Garments + *Digitizing\$ + Art\$ = Total\$$$

Cost of Garment plus cost of Embroidery multiplied by the number of garments then added to the Digitizing and Art Charges. ***Divide the total by the total number of garments to find your price per piece.

**1st 8,000
Stitches**
\$5.00

**each 1,000+
